## Newsletter

Hi Guys we have decided to create a monthly Newsletter, our goal is to involve all our clients of events, promotions, salon hours, and helpful tips and general news about Tanya's Tangles.

As most of you know In January this year Tanya and Cara along with Sexy Hair Australia headed off on a 13.5hr Plane journey to the fabulous Los Angeles, USA. The main purpose of this journey was to attend the Sexy Hair International Conference 2013.

There the Girls Trained alongside Educators from all over the world. They Learnt a unique cutting technique, "Structure in Motion" which is based on Thai Chi this encourages harmony of the mind body and soul to inspire business and personal success. Structure in Motion is an innovative way of cutting. It can be used to take a variety of hairstyles from classic to modern. This was an amazing opportunity for The Girls to learn and grow as hairstylists. They are very excited to further their Education with Sexy Hair.
